

INTERRUPTERS

A holistic, community-based approach to tackling violence

A Proven Track Record - VRU

-
- **Violence Reduction Unit targeted ex-gang members**
-
- **Glasgow, 2005 : Murder Capital of Western Europe**
- **Glasgow, 2017: 60% decline in murder rate**

INTERRUPTERS

Targets trusted community leaders

Target & Support

Identify community influencers through network analysis

Provide job training, mentoring & guidance

Collaborate with authorities to identify high-risk individuals & discourage violence

Results

Decreased crime rates

Increased trust in authorities, with intervention required only when necessary
